

DOWNBEAT

Jazz, Blues & Beyond

January 6, 2015

We know it's not easy to present live music. But we're surely glad that you do.

For that reason, on behalf of everyone from DownBeat magazine, I would like to congratulate you for being named one of the world's top jazz venues for 2015.

This list represents a comprehensive look at where great jazz and improvised music is being programmed and performed around the globe — from the late-night clubs, to the intimate listening rooms to the grandest concert halls.

You will soon receive (or may have already) complimentary copies of DownBeat's February issue with your venue listed. Please find enclosed a window decal noting that you have been named one of our top venues for 2015.

All we can say is, *BRAVO!* Thank you for presenting ambitious artists, and here's to another year of great live music!

Best regards,
